## Bookable Items and Rooms

The department uses an online booking system for all bookable equipment and rooms. The tables in 1.1 and 1.2 show all bookable stock items and rooms depending on year group. 3rd years (i.e. those on placement) aren't able to book on the system and, should they need to book anything while on placement, are encouraged to email DMM Stores or a technician who will arrange the booking with them.

Information correct as of August 17, 2023.
